Thieves entered the stable of Fred Nemeyer on Harrison street, Sunday morning and stole his horse. He made the discovery when he went to the barn to do his chores. Officer Summer was immediately notified and tracks were found indicating that the thieves had gone west. The two men procured a horse and buggy and started in pursuit. When about two miles this side of Silver Lake they sighted two men in a two horse buggy leading a horse. The men in front discovered their pursuers about the same time and turning the led horse loose laid whip to their team and quickly

disappeared. On coming up to the loose horse Mr. Nemeyer found it was his and concluded it would be useless to pursue the men any further.

DEATH OF MRS. H. H. MILLS

Sad and Unexpected Ending of a Short Illness.

Mrs. Isabella M. Mills, wife of H. H. Mills, the veteran dry goods merchant, died very suddenly at her home 1115 Polk street, at 8:30 last evening, after an illness of only two days. She was taken seriously ill on Friday afternoon at Mrs. H. K. Rowley's thimble party.

Her illness took the form of peritonitis and she sank very rapidly. Her death was a great shock to the family, as she was apparently in good health until she was taken with this last illness. Mrs. Mills was born in Inverness, Scotland, March 29, 1832. For several years she lived in Howell, Mich. She came to Topeka in March, 1884.

She was a lady held in high regard and was a member of the First Presbyterian church. She was prominent in all missionary work of the church.

She leaves a husband, Mr. H. H. Mills, and three children—W. W. Mills, Arthur Mills, and Miss Hattie Mills, to mourn her loss. W. W. Mills had intended starting west on a trip for his health last Thursday, but was prevented by friends coming to visit. It seems as though he had been kept here providentially.

The funeral services will take place tomorrow at 1 o'clock at the residence. Rev. J. W. Bailey will conduct the services. The remains will be taken to Howell, Mich., Mrs. Mills' old home, for burial.

Having purchased F. W. Whittier's interest in the firm, we are prepared to give the people of Topeka the best the market affords. **WHITNEY & SON,** 730 Kansas ave.

MANY OF "MINE HOST."

Hundreds of Hotel Men in Palace Cars

PASS THROUGH THIS CITY TODAY

On Their Way to the Hotel Men's Big Convention at Denver—Other Railroad News.

There was an invigorating scene of genteel hilarity at the Santa Fe depot at 11 o'clock today, when the Chicago section of the hotel men's special train stopped twenty minutes for ice and water on its way to the national convention at Denver. Topeka has seldom seen a happier crowd of wealthy easterners than these. A hotel man knows if anyone does what is good to eat and drink and these had on board the best that could be found. None but owners of hotel property are along. The majority of the men are well along in years but they never felt younger than they did today. There are three of the trains. The New York crowd came through at two o'clock and the Bostonians later. The first section consisted of four sleepers, a baggage car and a dining car and carried 102 persons. The aggregate number of excursionists on all three trains reached 260 and will reach 800 before the trains get to Colorado tomorrow morning. No great speed has been attained but the time made will exceed thirty-five miles an hour.

The excursion is in charge of Assistant General Passenger Agent Black of Topeka, and Ed. Burnett, the Santa Fe passenger agent at New York City, both of whom will accompany the trains to Sherwood Falls, Colorado. The convention at Denver will occupy the hotel men's time the rest of this week, after which they expect to visit points of interest in Colorado for a short time before they return.

The Rock Island has issued a circular announcing that it will meet the Santa Fe's \$15 for the round trip rate to Denver for the annual meetings of the American Institute of Homoeopaths, June 14 to 23, of the National Homoeopathic League, June 26, of the Imperial Council of Mystic Shrines, June 24 to 27, and of the League of American Wheelmen, 13 to 18.
